NCTE Code No.312049

Sub: Enhancement of intake capacity in respect of Govt. & Grant-in-aid PTTIs equal to basic units.

Sir/Madam,

WRC, NCTE received letter dated 20.06.2005 from the Director, GCERT, Gandhinagar about enhancement of intake in Government and Grant-in-aid PTTIs in the state of Gujarat equal to basic units. All these institutions were running prior to NCTE Act, 1993 and were given intake by NCTE as per their proposals. As NCTE, New Delhi has defined basic units for each teacher training courses and the minimum requirement of teaching staff in these, it is expected that every teacher training institutions has students equal to basic units and accordingly, the number of staff required for the course. For an elementary teacher training programme (PTC course), the basic unit is 50 students and for a unit of 50 students or less (with combined strength of 100 students or less for a two-year course), the full time teaching faculty shall comprise of one Principal/Head and atleast five lecturers. For intake of students in excess of prescribed unit, the number of full-time lecturers shall be increased proportionately.

As per above referred letter, the existing intake of your PTTI is 40 and the increase in intake proposed is 10 to make one or two units. Accordingly, your college needs to have the staff of one Principal/HOD and atleast 5 lecturers. Accordingly, you are required to submit the staff list as per above, duly approved by Director, GCERT/Competent Authority, to WRC for its consideration.

Treat this as most urgent and important.

Encl: Staff Profile.

Copy to:-

1. The Chairman, WRC, NCTE, Bhopal.
2. The Director, Gujarat Council of Educational Research & Training, 'Vidyabhavan', Sector-12, Gandhinagar.

Yours faithfully,

Regional Director
